

YOUTH MINISTRY SEARCH UPDATE

Dear Princeton Alliance Family,

As you are aware, we have begun the process of searching for our next Student Ministries Pastor/ Director for the church.

I would like to take this opportunity to update you on our search process. We are making great progress with our search. We have made contact with hundreds of potential candidates and have received well in excess of a hundred resumes. We are making initial contacts to help us determine which candidates meet our initial qualifications.

We are also in the process of interviewing candidates in three key areas:

1. Experience
2. Leadership
3. Spiritual preparedness

This phase of the process will help us to determine whether the candidate's call in ministry aligns well with the vision and mission of PAC.

We are excited about the progress we are making and would ask that each of you continue to pray!

- Pray for our Search Team's discernment and clarity of God's will through this process.
- Pray for all candidates as they seek God's call on their life.
- Pray specifically for the person that God would have come and lead this ministry.
- And, pray for Nathan as he prepares for a time of transition from Student Ministries into Adult Ministries over the next few months.

Thank you for your support in this critical time of transition for our Student Ministries.
